The NEUMO Ehrenberg Group is one of the World's largest privately owned manufacturers and distributors of stainless steel products and metal cutting tools.

Founded in Germany in 1947 by the late Senator Henry Ehrenberg, the NEUMO Ehrenberg group employs more than 1,300 people worldwide.

The group is an integrated network of member companies operating in three core areas: Stainless Steel Flow Technology, Tooling, and Stainless Steel Trading.

In addition to sales, manufacturing and warehousing locations across three continents, the group is represented through a well-developed network of distributors in more than 40 countries.

Worldwide, the NEUMO Ehrenberg group employs people that are dedicated to turning innovative ideas into leading products and engineering services in order to increase productivity, product quality and profitability for our customers.
